MESSAGE FROM JARED THRONEBERRY:

"It's the last session and the final contest for the 100 Kings Program. This Saturday, April 20, the 5th graders will be giving their prepared speeches. At the same time, the 6th graders will be filling out an evaluation card for each speaker. Last session went really well, and everyone thoroughly enjoyed the quality speeches the 6th graders gave. The class teachers and the Collegiate 100 took care of Timer cards and picking up evaluation responses, but more hands never hurt. Besides the traditional formalities, we'll get started pretty soon after 9:00am. Let me know if you can make it or have questions."
