## Here's what has happened in the last month and what's to come!

Welcome to our District 63 newsletter! As we wrap up another successful year, we wanted to reflect on our achievements and set our sights on the exciting opportunities ahead.

Firstly, we would like to express our gratitude to all of our members who have continued to support us during these years. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we are excited to announce that we have a new member to the Trio. Kayla Works has been elected as the new Club Growth Director. If you missed her *Kickin' It With Kayla* session during the Winter TLI, don't worry. We hope to have an exclusive recap in next month's newsletter.

We are also excited to announce that we will be hosting our Annual Conference in April. This event is a fun and interactive way to support our cause while also enjoying great food, drinks, and entertainment. We hope to see you there!

Finally, we want to give a wonderful shout to those celebrating birthdays, anniversaries, accomplishments, etc. Please take the time to post onto our Social Media accounts the wonderful news!

## Celebrating Our Year of Achievements Together: Thank You for All You Do!

Congratulations on another wonderful year!

Throughout the year we have seen incredible engagement, impactful moments, and continued support.

The support and guidance from our members of our District is what has made this 100th Anniversary of Toastmasters Year remarkable. As members of the Toastmasters community you have made it a priority to showcase that Toastmasters is Where Leaders Are Made. Thank you for this lasting impact!

By creating these opportunities, you have set the foundation that will allow us to continue to grow and achieve new heights.

Make sure to take a moment to celebrate how far we have come together and reflect on some of the highlights that would not have been possible without your participation. From contests to club meetings, Past International Presidents coming to visit to having our very own Tremale Delano compete on the international level. Wow! What a year?

As we close out the year, we want to express our heartfelt thanks to each of you for making this year a success. Your dedication and commitment keep our District thriving. We're deeply grateful for your support and look forward to continued success together.

Yours truly,

Jason, Jeff, and Kayla
