## April 23 Business Meeting

Hello Club Presidents and VPEs! We need your immediate attention and actions for our upcoming business meeting! On April 23rd, the District will elect its leaders for next year. Your presence is required in order to vote for incoming District Director, Program Quality Director, Club Growth Director, and Division Directors. These important roles determine how our District fares in the next year, so it's important that you be there to vote for our future. We will also be voting on the realignment of clubs within our District. The meeting is currently scheduled for 10:00 a.m. CST. Remember, since the meeting is virtual, you must vote yourself, you can't assign your vote to another member. We need you to take just a minute, right now, and confirm your attendance. Just click this link and register now! <https://form.jotform.com/220565117679967> Contact Becky Begarly, 2022 District 63 Credentials Committee Chair for details.

## The Voice of Dr. Ralph Smedley

Recently an old VHS was discovered that has a short message from the founder of Toastmasters. The tape was digitized and made available for viewing. Thank you to Don Bittick for sharing it with us.
